Cruises

The Covered Bridge and Cheese Ride

No matter which way you ride it, this 99 mile loop through Southern Vermont is sure to please—it's been our most popular ride through the years. The ride is a perfect blend of curving roads, exceptional scenery, and local attractions. You'll pass the Dummerston Covered Bridge (longest in the state!) and Hogback Mountain's 100-mile view. Stop for a tour of the Grafton Cheese factory complete with scrumptious samples, and pop in to an iconic diner.

Some stops along our most popular rides. (from left) the Grafton Cheese factory, Dummerston covered bridge, the view from Mt Equinox summit.

Queechee Gorge Run

For a longer ride, trek up to the breathtaking landscape at the Queechee Gorge; on the way, you can stop at many of the most popular local attractions. 160 miles round trip.

Giddy From the Turns

If you want to stick close to home base, this is the ride for you. A beautiful, quiet loop through the Deerfield Valley—pause for lunch in Wilmington or pop over to Hogback Mountain's 100-mile view. 44 miles round trip.

Lazy Lunch

Head North along the outskirts of the Green Mountain National Forest for a winding cruise along the West River before stopping in idyllic Saxtons River for lunch and to tour its historic buildings before thrillingly curvy ride home. 85 miles round trip.
